

# AVID LIGHT

Freelance Professional Art Model  
Based near Annapolis, Maryland USA  
avid@avidlightmodel.com www.avidlightmodel.com

## OBJECTIVES

Art modeling for classes, storytelling and/or experimental projects, and figurative work. Genres include life drawing/painting, art photography, bodypainting, sculpture, or performance art.

## DESCRIPTION

- Appearance (see portfolio links below):
  - 5'10" 155 lb. male, middle-aged. Build: lean/toned. Skin: light to medium tan.
  - Usually bald with little or no body hair. No tattoos or piercings.
- Can be booked for implied or full nude life modeling in creative contexts. Will work professionally with other models in approved projects. Demeanor: patient, respectful, open-minded, professional.
- Will sign photo release if pre-agreed depending on assignment, image use, degree of anonymity.
- Baltimore/Annapolis/DC area travel OK, or further by arrangement. Rates vary/are negotiable.

## MODELING EXPERIENCE

**Life Model:** Professional figure model for George Washington University and UMCP art classes, other life drawing/fine-art groups, and private sessions. Able to bring variety of own ideas ranging from short gestures to multi-hour poses, and/or take direction for specific shapes or expressions. Willing to attempt complex, challenging, or conceptual poses. Can assist or manage session planning, timing, logistics.

**Bodypainting:** Extensive experience posing for projects from small experiments to intricate/lengthy designs. Modeled for advanced amateur and renown professional painters in artistic projects, pro workshops, airbrush master classes, promotional/art show gigs in Baltimore, DC, and Annapolis.

**Fine Art Nude Photography:** Experience collaborating with photographic artists for a variety of assignments, posing alone or with other models. Accomplishments include somber black & white imagery, storytelling/thematic series, abstract and/or bodyscape art, on-body projection, and other conceptual work. Comfortable with studio work, or properly arranged indoor/outdoor locations. Can apply understanding of light, shadow, body dynamics to help bring photographer's vision to life. Able to actively collaborate on pose variations, and help coordinate pre-planning for complex shoots/ideas.

## PORTFOLIO & OTHER INFO

- See [www.avidlightmodel.com](http://www.avidlightmodel.com) for more info & portfolio, or on Flickr.com search Avid Light Model
  - If you are OK with artistic nudity, more work on: [www.avidlightmodel.com/portfolio/AL3](http://www.avidlightmodel.com/portfolio/AL3) & photo/print work on **Model Society** [www.modelsociety.com/Model/Avid-Light/photos](http://www.modelsociety.com/Model/Avid-Light/photos)
- My modeling work is aided by experience and training in photography (portraiture, dance, and figurative art). It is also informed by life experience that includes narrowly surviving a battle with cancer...which was no fun, but freed me to be more daring and expressive in my art.
